

**Sovereign Order of Saint John of Jerusalem  
Knights of Malta**

**Sovereign Order of Knights of Antartciland**

*Health and peace to all the men of good wish.*

**Protocol Agreement 0519/09**

Between

***The Sovereign Order of Knights of Antartciland  
Represented by  
H.H. the Prince, The Grand Master Giovanni Caporaso Gottlieb***

and

***The Sovereign Order of Saint John of Jerusalem - Knights of Malta  
Represented by the  
77<sup>th</sup> Prince, Grand Master Don Basilio Calì of San Lorenzo  
Duke of Castellfort***

With the Premise:

Both Knightly Orders, fully identified previously, since the beginning of their existence have been committed to morality, the missionary spirit, social solidarity, etc. in their daily lives. And, for each of their duties as foreseen by their respective governing regulations:

Having considered that:

Every man on the earth should extend his hand to the less fortunate brother who has fallen from his horse, and help him to mount onto his own, with the spirit that distinguished the Crusader Knights in ancient times; today, the Crusade of the two Knightly orders is to vanquish the tyranny of the new unfaithful worshippers of the demon of lust and perdition, who has made them forget those which are the inspiring principles of good and serenity.

It has been decided:

To recognize each other, to reciprocally unite as one, to form an alliance to be able to better fight the battle which has been engage to forever defend the weak. Contextually, we express the desire to

*Health and peace to all the men of good wish.*

nominate our respective representatives. These will function as Ambassadors in the number of.....

Furthermore

The Knightly Orders, signatories of this protocol, by means of their respective Grand Masters, sharing the above-mentioned principles and criteria, assure their contribution to the quickest and most complete diffusion of the protocol; this protocol stands as the natural premise to this Treaty of Alliance that will be underwritten with agreed upon norms and will link the two sovereign Orders. The signatories of this protocol profoundly wish for the adherence of other subjects who share the aims and operating system and possess the necessary and uniform requirements;
